

# Finnish Film Affair returns

**BY WENDY MITCHELL**

After a successful launch in 2012, Helsinki International Film Festival will host the second edition of the Finnish Film Affair (FFA) from September 24-26.

FFA will present new Finnish films and works-in-progress for visiting sales agents, buyers and trade press. Some of last year's projects are now screening in Cannes Marché, including *21 Ways To Ruin A Marriage* and *Alcan Highway*.

The line-up of projects for the 2013 edition will be announced in mid-August.
